

César Augusto Murad Rodríguez

C.C: 1.020.789.764, Bogotá

☎ 317 573 3748 ✉ cmurad_12@hotmail.com

PROFESSIONAL PROFILE

Bilingual geoscientist of the University of los Andes. Skilled at time management, observation, data collection, analysis and interpretation, and at handling information in a range of different mediums. Experience in field trips and knowledge in programming languages. In my new experiences I generate group strategies that allow me to have a high sense of responsibility, commitment and ability to work together. In addition, I characterize myself for being a collaborative and organized person when acquiring new responsibilities.
